Volunteering at Alpha House

Volunteers enhance the work of Alpha House and are extremely beneficial. If you are interested in giving back to the community in a tangible way, want to learn about domestic violence, or connect with some wonderful strong families, please think about being a volunteer with Alpha House. **We provide training and the coffee pot is always on!**

Childminding: If you love children and are available during the day, we need volunteers to watch the children while Mom participates in counselling programs or outside appointments. This is an opportunity to be hands on and work one on one with children.

Donation Program: We need assistance in coordinating in-house donations and pick up of new and used items that have been donated by the community. Women often come to Alpha House with nothing, so receiving donations is vital for our families.

Library Work: If you love to organize, we need you. Our library of books, movies, videos and resources need some attention.

Childrens Group: A volunteer is need to co-facilitate the children's group with our Children's Counsellor. This is a fun activity to be involved in! Held on Mondays from 4:00 to 5:00 pm.

We value the work of our volunteers and appreciate your generosity!

Please contact us at 982-2011 if you would like to volunteer at Alpha House.
